Welcome to the 2018 All-Arts, Sciences & Technology Camp
University of North Carolina at Greensboro
June 24th - 29th 2018

Dear Parents and Campers,

The first day of camp (Sunday) is an important day for campers and staff. We spend time getting to know each other and start our team-building activities. After our first all-camp meeting, we eat dinner together and practice our class changing procedures. Campers end the day with an exciting and fun tug-of-war competition. At 9:00 PM, day campers go home to rest up for the next day’s classes and residential campers return to their dorms.

• Sunday check-in
  We’re usually very busy getting ready right before registration, so we will not be able to check anyone in early. If you do arrive early, take a walk around campus or find a cool place to relax for a while.

• If you arrive late
  There are usually staff members close by who can direct you to your colony group or you may find us in the cafeteria. If you think you may arrive after 4:00 PM, call our camp office at 336.740.0211.

The All-Arts, Sciences & Technology Camp (AASTC) is sponsored by SERVE, INC. If you have questions about your billing statement, course changes, cancellation, etc., please contact the AASTC Year-Round Staff at 336.740.0211.

If you need to talk to the counselors, please park you car in a parking space and walk to where counselors are waiting.

If you arrive after 8:30 AM, we recommend you call 336.740.0211 and speak with the camp administrative assistant to arrange the best place to drop off your camper. Please DO NOT drop your camper off without camp staff present.

Residential campers have the option of keeping their money in the Camp Bank. Day campers will not need concession money, but may need T-shirt Tycoon funds.

**Parent Phone Calls and Visits**

We feel it is in the best interest of campers and parents alike to restrict both visits and phone calls. If you wish to inquire about a camper’s well-being or needs, leave a message for the camp directors at 336.740.0211. Due to camp activities and the number of campers attending, it may take awhile to get back in touch with you. However, we will respond immediately if it is an emergency. Cell phones for campers are allowed but discouraged. Parents insisting that their camper have a cell phone at camp must review the Cell Phone Policy Agreement attached. We will provide a signature sheet at Check-In.

AASTC Gives Back

This summer, we’re inviting all of our campers to support those in need by participating in our T-Shirt Tycoon class! Campers enrolled in this course will be designing original one-of-a-kind T-shirts and marketing them to their fellow campers to raise money for local charities. All campers can participate in the class by bringing an extra $5–$10 in cash to buy a T-shirt during the camp week. This is strictly voluntary and 100% of the money generated will be donated to a local charity in the campus area!

The All-Arts, Sciences & Technology Camp believes that cell phones take away from the camp experience and discourages them at camp. Parents who insist that their camper have a cell phone at camp must sign the Camp Cell Phone Policy statement.

Cell Phones May be Used only while campers are in the dormitory, or when directed by the camp director, nurse, or super counselor.

Cell Phones May Not be Used anytime outside the dormitory or after “lights out.” Cell phones or other such messaging devices must be turned OFF (not just “vibrate”) and kept out of sight in the camper’s backpack at all times. Any violation of this policy will result in the confiscation of the cell phone. Confiscated cell phones will be returned to the camper’s parent upon departure. The All-Arts, Sciences & Technology Camp will not be responsible for lost, stolen, or broken cell phones.

Bullying is when one or more people exclude, tease, harm, gossip, hit, kick, or put down another person with the intent to hurt them. Bullying happens when a person or group of people try to exercise power or control over another person and use this power to get their way at someone else’s expense. Bullying is hurtful regardless of what form it takes. In extreme cases, it can escalate until people are physically harmed.

Bullying is not tolerated at our camp. We have a firm policy against all types of bullying. We work as a team to ensure that everyone has a comfortable and enjoyable experience at camp and by working together as a team to identify and manage bullying, we can help ensure that all campers and staff have a great summer at AASTC.

In your camp registration packet, parents and campers signed the Camp Policies form which states: A camper may be expelled from camp without refund for violation for disrupting behavior that endangers or detracts from others’ camp experience.

Our leadership team takes all instances of bullying seriously. We train our staff to promote good communication between campers and staff so that everyone is comfortable alerting us about bullying. Every person who is bullied may go home with negative memories about camp even if their camp experience was positive.
