Welcome to the

2019 ALL-ARTS,
SCIENCEs
TECHNOLOGY CAMP

University of North Carolina at Greensboro

July 14th - 19th 2019

Dear Parents and Campers,

The first day of camp (Sunday) is an important day for campers and staff. We spend time getting to know each other and start our team-building activities. After our first all-camp meeting, we eat dinner together and practice our class changing procedures. Campers end the day with an exciting and fun tug-of-war competition. At 9:00 PM, day campers go home to rest up for the next day's classes and residential campers return to their dorms.

• Sunday check-in
  We’re usually very busy getting ready right before registration, so we will not be able to check anyone in early. If you do arrive early, take a walk around campus or find a cool place to relax for a while.

• If you arrive late
  There are usually staff members close by who can direct you to your colony group or you may find us in the cafeteria. If you think you may arrive after 4:00 PM, call our camp office at 336.740.0211.

The All-Arts, Sciences & Technology Camp (AASTC) is sponsored by SERVE, INC. If you have questions about your billing statement, course changes, cancellation, etc., please contact the AASTC Year-Round Staff at 336.740.0211.

Kelsey Myers, Executive Director

Final camp payment is past due (June 16th), please log on and pay final balance.

The All-Arts, Sciences & Technology Camp will not be responsible for items left behind or in the dorms.

Check our Facebook & allarts.uncg.edu periodically and right before July 14th for announcements, updates, schedule changes, etc.

AASTC Gives Back

This summer, we’re inviting all of our campers to support those in need by participating in our Maker Moguls class! Campers enrolled in this course will be designing original one-of-a-kind products and marketing them to their fellow campers to raise money for local charities. All campers can participate in the class by bringing an extra $5–$10 in cash to buy a t-shirt, hat, bag, or other product during the camp week. This is strictly voluntary and 100% of the money generated will be donated to a local charity in the campus area!

All-Arts, Sciences & Technology Camp believes that cell phones take away from the camp experience and discourages them at camp. Parents who insist that their camper have a cell phone at camp must check the corresponding boxes below and sign at the bottom of the page agreeing to the terms. You must review this with your camper.

Cell Phones May be Used: only while campers are in the dormitory, or when directed by the camp director, nurse, or super counselor.

Cell Phones May Not be Used: anytime outside the dormitory or after ‘lights out.’ Cellphones or other such messaging devices must be turned OFF (not just ‘vibrate’) and kept out of sight in the camper’s backpack at all times.

Any violation of this policy will result in the confiscation of the cell phone. Confiscated cell phones will be returned to the camper with the first warning and then camper’s parent upon departure if violated again. The All-Arts, Sciences & Technology Camp will not be responsible for lost, stolen, or broken cell phones.

Bullying is when one or more people exclude, tease, taunt, gossip, hit, kick, or put down another person with the intent to hurt them. Bullying happens when a person or group of people try to exercise power over another person and use this power to get their way at someone else's expense. Bullying is hurtful regardless of what form it takes. In extreme cases, it can escalate until people are physically harmed. Bullying is not tolerated at our camp. We have a firm policy against all types of bullying. We work as a team to ensure that campers gain self-confidence, make new friends, and go home with great memories. Campers who are bullied may go home with negative memories about camp even if everything else about their camp experience was positive. A camper may be expelled from camp without refund for violation for disruptive behavior that endangers or detracts from others’ camp experience. Our leadership team takes all instances of bullying seriously. We train our staff to promote good communication between campers and staff so that everyone is comfortable alerting us about bullying. Every person has the right to expect to have the best possible experience at camp, and by working together as a team to identify and manage bullying, we can help ensure that all campers and staff have a great summer at AASTC.

Personal information, such as a minor’s full name, parent/guardian’s names, addresses and telephone number will never be published.

All-Arts, Sciences & Technology Camp routinely obtains several golf carts for camp each summer and in the case an emergency, we utilize those carts to transport sick or injured campers to our medical personnel. In the rare case that a camper must be taken to the Emergency Department, we use insured vehicles or Emergency Services depending on the severity of injury.
